INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Connections for the Homeless, Inc.:

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Connections for the Homeless, Inc. (the Organization) (a non-profit Organization), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2023, and the changes in its net assets and cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audit contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Organization ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

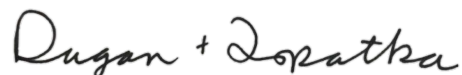

Our audit was conducted for the purpose of forming an opinion on the financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis, and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Report on Summarized Comparative Information

We have previously audited the Organization's 2022 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated March 29, 2023. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2022, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 26, 2024, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

CONNECTIONS FOR THE HOMELESS, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023, AND 2022

(1) NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Connections for the Homeless, Inc. (the Organization) is a not-for-profit Illinois corporation exempt from federal income tax under Section 501(c)(3) of the U.S. Internal Revenue Code. The Organization was formed in 1984 to work with communities in northern Cook County to prevent and eliminate homelessness. The Organization provides housing, shelter and supportive services including food, clothing, health and mental health care, employment, and education. The Organization also does community outreach and education about homelessness and provides volunteer opportunities for those concerned about homelessness. The Organization's programs are as follows:

Eviction Prevention Services - Short-term financial assistance in the form of rental, mortgage or utility payments in arrears deployed to prevent households from experiencing homelessness and divert them from entering the shelter system in the first place. Additional case management services are provided to community members who are experiencing housing instability and possible homelessness due to lack of affordable housing. Services include housing location, budgeting and financial planning, and main-stream benefit and housing eligibility screening and enrollment assistance.

Community and Shelter Services - Street and community outreach, drop-in services, physical and behavioral health services, and shelter for people experiencing homelessness are provided through Community and Shelter Services. Along with case management, individuals are assessed for various housing programs and are provided with basic needs such as food, hygiene products, showers, clothing, and laundry facilities. Up to 70 beds of shelter are provided through fixed-site, non-congregate shelter in a converted hotel. Services included physical and mental health care, housing case management, recreational and social activities, recovery support, meals, main-stream benefits assessment and enrollment, life skills coaching, and employment support.

Housing Services - The Agency runs several housing programs for youth, individuals, and families. Programs include housing location and intensive housing case management services for individuals and families with short- or long-term rental subsidies to help participants obtain and maintain their housing. Housing is primarily provided through private landlords scattered through north-suburban Cook County.

The financial statements were available to be issued on March 26, 2024 with subsequent events being evaluated through this date.

Accounting Method -

The financial statements are maintained on the accrual basis of accounting which recognizes revenue as it is earned and expenses as they are incurred.

Basis of Presentation -

Financial statement presentation follows the recommendations of the Accounting Standards Codification (ASC), *Financial Statements for Not-for-Profit Organizations*. Under the ASC, the Organization is required to report information regarding two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

(1) NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:
(Continued)

Basis of Presentation - (Continued)

Without donor restrictions - Net assets that are not subject to donor-imposed stipulations and may be expensed for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of management and the board of directors.

With donor restrictions - Net assets subject to donor-imposed stipulations. Some donor restrictions are temporary in nature; those restrictions will be met either by actions of the Organization and/or the passage of time. Other donor restrictions are perpetual in nature, where the donor has stipulated the funds be maintained in perpetuity.

Use of Estimates -

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts and disclosures. Actual results could differ from those estimates.

Functional Allocation of Expenses -

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include occupancy, depreciation, utilities, and maintenance expense which are allocated by square foot, salaries, payroll taxes, and benefits on the basis of time and effort, as well as supplies, printing, insurance, and other expenses allocated by headcount.

Cash and Cash Equivalents -

For purposes of the statement of cash flows, the Organization considers all liquid investments with an original maturity of three months or less to be cash equivalents.

Concentration of Risk -

Financial instruments which potentially subject the Organization to concentrations of credit risk consist principally of cash. The Organization places its cash and deposits with high credit quality financial institutions; however, deposits may exceed the federally insured limits in various banks from time to time.

Government and Other Receivables -

Receivables represent grants due to the Organization from governmental agencies or from clients. The Organization has elected to record bad debts using the direct write-off method. Generally accepted accounting principles require that the allowance method be used to reflect bad debts. However, the effect of the use of the direct write-off method is not materially different from the results that would have been obtained had the allowance method been followed.

(1) NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:
(Continued)

Pledge Receivables -

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at fair value, which is measured as the present value of their future cash flows. The discounts on those amounts are computed using risk-adjusted interest rates applicable to the years in which the contributions are received. Amortization of the discounts is included in contribution revenue. Conditional promises to give are not included as support until the conditions are substantially met. All contributions receivables are considered fully collectible based on past experience and management's judgment; therefore, no allowance for doubtful contribution accounts receivable is needed.

Property and Equipment -

Expenditures for property and equipment are capitalized at cost or at fair market value if donated. The Organization capitalizes all capital expenditures of \$5,000 or more, unless it is paid by State funds, then it is \$500 or more. Depreciation is computed on the straight-line method over estimated useful lives of the assets as follows:

Buildings	27.5 years
Leasehold improvements	5 - 27 years
Furniture and fixtures	3 - 10 years
Office equipment	2 - 10 years
Vehicles	4 - 5 years

Donated Property and Equipment -

Donations of property and equipment are recorded as contributions at fair value at the date of donation. Such donations are reported as increases in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor.

Refundable Advance -

Refundable advance refers to payments from a grantor where a measurable barrier to recognition of revenue has not yet been met in a nonexchange transaction. These deposits are recorded as a liability until the barrier to grant has been met.

(1) NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:
(Continued)

Revenue Recognition for Contributions and Grants -

The Organization recognizes contributions when cash, securities or other assets, an unconditional promise to give, or a notification of a beneficial interest is received. Conditional promises to give; that is, those with a measurable performance or other barrier and a right of return, are not recognized until the conditions on which they depend have been met. Contributions resulting from split-interest agreements, measured at the time into which the agreements are entered, are based on the difference between the fair value of the assets received or promised and the present value of the obligation to the third-party recipient(s) under the contract. The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the assets, or if they are designated as support for future periods. When a donor restriction expires; that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Donor restricted contributions whose restrictions are met in the same period as received are shown as contributions without donor restrictions on the statement of activities.

A portion of the Organization's revenue is derived from cost-reimbursable state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statement of financial position.

Revenue Recognition for Program Fees -

The Organization receives rental income from clients who reside in certain residential programs. Rental income is considered a single performance obligation that is recognized over time. Rental income is charged each month, and the monthly fees are recognized ratably over the life of the lease. The Organization leases apartments to eligible applicants under operating leases which are substantially all on a yearly basis.

Donated Services -

The Organization has conformed with the Accounting Standards Codification for *Accounting for Contributions Received and Contributions Made* in regard to donated services. This provision prohibits the recording of donated services unless they create or enhance a nonfinancial asset or are specialized skills that would have been purchased if they were not donated. The Organization has no donated services during the fiscal year ended June 30, 2023, and 2022.

Leases -

The Organization determines if an arrangement is a lease or contains a lease at inception of the contract. The Organization's operating leases are presented in operating lease right-of-use assets, and current and long-term portion of operating lease liabilities in the accompanying statement of financial position.

(1) NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:
(Continued)

Leases - (Continued)

Operating lease right-of-use assets and lease liabilities are measured based on the present value of future lease payments over the lease term at each lease's commencement date. As most of the Organization's leases do not specify their implicit rate, the Organization has elected a practical expedient to use the nominal yield, at lease inception, applicable to U.S. Treasury instruments with a maturity of similar length of the lease term.

Operating lease right-of-use assets include all fixed contractual lease payments and initial direct costs incurred by the Organization, less any lease incentives the Organization receives from the lessor. The Organization has elected a practical expedient to account for lease and non-lease components together as a single lease component. The terms of the Organization's leases generally contain lease payments and reimbursements to the lessor of the Organization's proportionate share of common area maintenance (CAM), real estate taxes and other pass-through charges. Only the fixed lease components are included in the right-of-use assets and lease liabilities. Additionally, the Organization has elected not to apply these lease accounting policies to leases with a term of one year or less at the commencement date.

Operating lease expense for lease payments is recognized on a straight-line basis over the terms of each lease. Variable lease components include CAM, real estate taxes and other charges and are recorded as lease expense as incurred.

The Organization's leases can contain options granting the right to renew or extend the term of the lease for specified option periods. The decision as to whether the Organization will exercise the renewal options is generally at the Organization's sole discretion. The Organization includes lease extensions in the lease term when it is reasonably certain that the Organization will exercise the extension.

Comparative Financial Information -

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with Organization's financial statements for the year ended June 30, 2022, from which the summarized information was derived.

Income Taxes -

The Organization has been determined by the Internal Revenue Service to be exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income tax has been established.

(1) NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:
(Continued)

Income Taxes - (Continued)

The Organization files income tax returns in the U.S. federal jurisdiction and Illinois. With few exceptions, the Organization is no longer subject to U.S. federal, state and local, or non-U.S. income tax examinations by tax authorities for fiscal years before 2020. The Organization does not expect a material net change in unrecognized tax benefits in the next twelve months.

New Accounting Pronouncement -

Effective July 1, 2022, the Organization adopted ASU 2016-02, *Leases* (Topic 842) and subsequent amendments. Under ASU 2016-02, all of the Organization's real estate and equipment leases that have lease terms exceeding twelve months will now be required to be recognized on the balance sheet as amortizable right-of-use assets accompanied by liabilities for the present value of the lease payments that the Organization is obligated to make in order to obtain control of the leased assets for the duration of each lease term.

Lease expense, under these amendments, will be recognized in different patterns depending on whether the underlying lease is an operating lease or a finance lease. Lease expense for operating leases will be recognized as a single expense using the straight-line method over the term of the lease, which includes options to renew the lease that the Organization is reasonably expected to exercise. Finance lease expense will consist of two components, interest expense on the lease obligation payable and straight-line amortization of the right-of-use asset.

Implementation of these amendments is reflected using the modified retrospective method as of July 1, 2022. Consequently, the 2022 financial statements and disclosures do not reflect the effects of implementing the new lease standard. As a result of implementation, the Organization recorded additional lease assets and lease liabilities of \$1,241,323 as of July 1, 2022. Upon implementation, the Organization elected an available package of practical expedients permitted under the transition guidance included in ASU 2018-11, *Leases* (Topic 842) – *Targeted Improvements* that permits the Organization to carry forward the historical lease identification, classification and initial direct costs associated with the Organization's pre-existing leases. The implementation of the amendments did not materially impact the Organization's net earnings or cash flows.

(2) PLEDGES RECEIVABLE:

On June 30, 2023, and 2022, the timing of payments pledge receivable as determined by the underlying agreements are expected to be as follows:

	<u>2023</u>	<u>2022</u>
Receivable in less than one year	\$ 2,487,522	\$ 224,024

Less unamortized discounts	<u>(129,106)</u>	<u>-</u>
Net pledge receivable	<u>\$ 5,227,445</u>	<u>\$ 224,024</u>

(3) LINE OF CREDIT:

The Organization has a \$3,000,000 line of credit from a bank for periodic working capital requirements. The credit line is secured by all business assets. Amounts borrowed on the line of credit bear interest at prime (8.25% prime rate as of June 30, 2023). The credit agreement expires in December 2024. On June 30, 2023 and 2022, there were \$2,650,000 and \$1,800,000 balances on the line of credit, respectively.

(8) CONCENTRATIONS:

For the year ended June 30, 2022, the Organization had approximately 51% of its total support and revenue from funding from the Cook County Department of Planning and Development and Illinois Department of Human Services, of which approximately \$5 million is coming from the federal government COVID funding as pass through funds.

For the year ended June 30, 2023, the Organization had approximately 28% of its total support and revenue from funding from Cook County Department of Planning and Development and Illinois Department of Human Services, of which approximately \$3 million is coming from the federal government ARPA funding as pass through funds.

(9) RETIREMENT PLAN:

The Organization has a 403(b)-retirement plan, which allows all employees to defer payment of taxes on a portion of their salary by making contributions to the plan through payroll deductions. The Organization makes contributions based on a percentage of participant's eligible compensation. For the years ended June 30, 2023, and 2022, the Organization made contributions of \$93,463 and \$80,117, respectively.

(10) LIQUIDITY AND AVAILABILITY:

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year, comprise the following:

	<u>2023</u>	<u>2022</u>
Financial Assets:		
Cash and cash equivalents	\$ 362,907	\$ 83,466

Financial assets available to meet cash needs for general expenditures that is without donor or other restrictions limiting their use within one year	<u>\$ 211,556</u>	<u>\$ 3,506,951</u>

The Organization has received commitments from grants (see footnote 8). The Organization grants require them to incur and pay for the expense and then request for payment. Majority of their grants are reimbursed within 90 days from request for payment.

The Organization manages its liquidity and reserves adhering to the following principles:

- operating within a prudent range of financial soundness and stability.
- incurring unbudgeted costs only when such costs are funded.
- maintaining adequate liquid assets to fund near-term operating needs.

(11) SUBSEQUENT EVENTS:

Effective September 2023, the Organization set up a related party LLC, Connections Margarita Inn, LLC for the purchase of an interim housing center. The Organization is the sole member of the LLC.

In November 2023, Connections Margarita Inn, LLC purchased a building in the amount of approximately \$6.5 million to run an interim housing center. The LLC received a loan from Cook County through the American Rescue Plan Act in the amount of \$7 million to help purchase the building. The note payable is secured by a building, due in one payment in November 2053 and bears no interest. Once the note term is complete, the loan will be forgiven in its entirety.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER
MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors of
Connections for the Homeless, Inc.:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Connections for the Homeless, Inc. (the Organization) which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, cash flow and functional expenses for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 26, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT
ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY UNIFORM GUIDANCE

To the Board of Directors of
Connections for the Homeless, Inc.:

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Connections for the Homeless, Inc.'s (the Organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2023. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Independent Auditor's Report on
Compliance for Each Major Federal Program and on
Internal Control Over Compliance Required by
Uniform Guidance

Connections for the Homeless, Inc.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Organization's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purposes of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

CONNECTIONS FOR THE HOMELESS, INC.
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
FOR THE YEAR ENDED JUNE 30, 2023

Note A - Basis of Presentation:

The accompanying schedule of expenditures of federal awards includes the federal award activity of Connections for the Homeless, Inc. (the Organization) under programs of the federal government for the year ended June 30, 2023. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not represent the financial position, changes in net assets, or cash flows of the Organization.

Note B - Summary of Significant Accounting Policies:

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Note C - Indirect Cost Rates:

The Organization has elected not to use the ten percent de minimis indirect cost rate as allowed under the Uniform Guidance.

Note D - Non-Cash Awards:
